Publisher's note In the spring of this year we were approached by a Mr Byles Brandreth and asked if we would be interested in publishing a volume entitled My Twenty-Five Years on the Throne. Mr. Brandreth maintained that this was, in fact, a "royal Scrapbook" compiled by the Sovereign and containing a large number of private letters , personal documents and hitherto unpublished photographs, all of them annotated by the Queen herself. Mr. Brandreth claimed that he had unearthed the scrapbook while rummaging through the dustbins in the Royal Mews at the back of Buckingham Palace. Here we have a book that not only sparkles with the warm wit of Windsor- and her Majesty, in saucy mood, has added some hilarious balloons and caustic captions to the large number of remarkably candid photographs in the scrapbook.
