Katherine Elgin grew up in a small coastal town in Australia, desperate to transcend her beginnings and make her mark. From her rebellious childhood Katherine emerges as a stunningly beautiful young woman with a voracious appetite for life's most interesting experiences and an overwhelming desire to write the best book she possibly can. But beauty is a double-edged sword and throughout her life - from Sydney, to London, to the islands of Greece - Katherine carries the burden of being both siren and artist. Inspired by the fascinating life of one of Australia's most talented and intriguing literary figures, Charmian Clift, *The Broken Book* is wonderfully rich, complex and compelling.
