## Reviews of the *The Loveday Pride* *by* Kate Tremayne

### **Gianni\_Giant**

Adam Loveday struggles to maintain the family shipyard and to develop his new lands at Boscabel. His twin, St. John, bears a bitter grudge against him for having won the yard that he considers his birthright (the estate mansion and yard would normally go to the eldest son, being St. John).

Desiree Richmond arrives unexpectedly from Virginia and Adam is appalled to learn that she believes herself engaged to St. John - though his brother's wife is still living.

In London, young Tamasine tries to keep- faith with Rupert Carlton, who seems oddly elusive.

On a convict ship bound for Botany Bay, the family's blackest sheep is battling to survive. Yet both Tamasine and Japhet, the former highwayman, are fiercely proud of the Loveday name and

resolved to honour their heritage.

The Loveday Series is well written and each book makes you want to read on.
